# Congratulations Clay!

## Clay W

Clay was introduced to diving at a summer clinic held by Coach Jen. Originally interested in multiple sports, Clay decided in November of 2009 to commit his time to diving. He quickly noticed improvements and has since learned a competitive list on both one meter and three meter boards. He has competed in Ohio Diving League competitions and this Spring tried his luck in the USADiving Regional Championships. He earned his way through to Nationals on the three meter board! Clay attends the 8<sup>th</sup> grade in Pickerington.
